Purpose

To encourage participation, from a state level, in square dancing and round dancing, through organized efforts of exhibition and education.

Goal

To raise awareness for the activity in all areas of the state and to raise awareness for the National Convention coming to Wisconsin.

Plan

To start a volunteer exhibition group that would travel the state exhibiting square dancing at folk fairs, festivals, craft fairs, school functions, parades and other events, with non-routine squares (just regular tips used) in $\frac{1}{2}$ hour to 1 hour slots.
